

Volunteer Week April 21 to 27, 2013

Let's make some noise!

Volunteer Week is a time set aside to celebrate the tremendous contribution made by thousands of people throughout the province who give their time freely to make their communities a better place to live. It provides an opportunity to express gratitude to the many dedicated volunteers in Newfoundland and Labrador and to increase public awareness of their efforts.

Volunteer Week 2013 Honourary Chair—Paddy Daly

Paddy is proud to be following in his late Father's footsteps as a community leader and committed volunteer. With a long history as a volunteer in various minor sports he also spends a significant amount of time involved with numerous charitable organizations as a host, master of ceremonies and active volunteer in the programs of his favorite charities. As a well known television and radio personality he uses his job to promote the many opportunities for community members to be aware of the needs of Newfoundlanders and Labradorians and to become donors and volunteers.

Every day volunteers in Newfoundland and Labrador are busy working to make our communities better places to live. They do this without expectation of anything in return, quietly and diligently making life better for others and increasing the quality of life for everyone. This Volunteer Week **Let's Make Some Noise!** Let everyone know how much we appreciate the 52% of our residents who volunteer.

Please join Honourary Chair Paddy Daly, the Community Sector Council Newfoundland and Labrador and the 2013 Volunteer Week Committee in celebrating our province's volunteers. Together, let's show our volunteers we care. **Let's make some noise!**
