**"... one of our participants gained the confidence to find another position on his own after working with us this summer ..."**

Employer Feedback, AMPLIFY 2019

### WHAT EMPLOYERS TOLD US

*"It is always worthwhile when you get to partner with youth. We saw kids that couldn't leave their homes for more than an hour with anxiety work on a summer program with 50-60 kids. They look at you one morning and say 'Last year, I couldn't breathe and now I can't catch my breath from laughing!'"*

*"The career and personal development are so important for youth, giving them skills to enter the workforce and keep a job."*

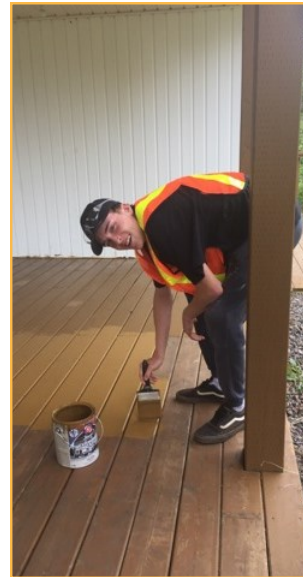

### WHAT YOUTH TOLD US

*"A highlight of the summer for me was being treated equally as the rest of the workers."*

*"I loved being acknowledged by parents, saying I did a good job with their child and how happy they were."*

*"I was trusted to do my job and was treated as being very mature to take care of things on my own."*

*"I loved being involved with the community and getting people of all ages engaged."*

**"IT WAS TRULY AN AMAZING EXPERIENCE."**
