Youth Participant Feedback, AMPLIFY 2022

WHAT EMPLOYERS TOLD US

"We are proud of our AMPLIFY participants. One of them came to us with high social anxiety. She gained confidence and self-esteem. She learned first aid during her time working here and helped someone who broke their leg. She is now registered for nursing this fall! What an impact on her future."

"It was very rewarding watching the teamwork and friendships of the participants—it had a positive impact on our organization."

WHAT YOUTH TOLD US

"I learned how to be professional and disciplined, waking up on time and coming to work diligently. The training session on phone skills was very helpful!"

"I felt like I was a part of something bigger; that I was helping people find their place and achieve all they can in the province's music community."

"Getting to work closely with the kids allowed me to be a person for them they felt safe going to."

"AMPLIFY IS A WIN FOR YOUTH, EMPLOYER AND THE COMMUNITY."
