### **REQUEST FOR EXPRESSIONS OF INTEREST – HOST ORGANIZATIONS**

AMPLIFY (Assisting My Potential – Labour Initiative for Youth) is a youth employment program offered by the Community Sector Council Newfoundland and Labrador (CSCNL) in partnership with the Government of Newfoundland and Labrador, Department of Immigration, Population Growth and Skills (IPGS).

AMPLIFY is open to youth between the ages of 16-30, who encounter challenges which may impact their ability to find or retain employment and who may have had little previous exposure to the world of work. Through providing work experience and career and personal development opportunities, AMPLIFY's ambition is to offer some motivating, perhaps life changing, moments to targeted youth.

- Be creative in providing youth with networking opportunities and teambuilding activities; and
- Assist CSC NL with monitoring and feedback of the program.

Hosts will receive an administrative fee to support this undertaking, which will be 15% of the wages paid to the youth.

### **EMPLOYMENT DETAILS**
