

Hi!

When your organization or business is participating in AMPLIFY, the Community Sector Council Newfoundland and Labrador (CSCNL) wants you to share this news! An acknowledgement of the support being given to youth facing barriers to employment is a testament to the importance of your work, brings attention to your organization and community and helps us demonstrate the public value of the AMPLIFY program.

Written Acknowledgement Guidelines

- In written communications and on your website, please use the Community Sector Council NL logo and the AMPLIFY logo, along with a link to our website: <http://cscnl.ca>. These logos are downloadable [here](#) and [here](#).

Social Media Acknowledgement Guidelines

- When stories or posts shared on social media, please tag us using @CSCNL and #AMPLIFY2026.

We want to acknowledge your work too!

Tagging @CSCNL on social media and using the #AMPLIFY2026 hashtag will let us see how things are going with your youth participants and let us share your good news story to our network!

If you have any questions, please feel free to let me know.

Thanks,

Kyle Wiseman
Senior Program Associate, AMPLIFY
