

Map it Out!

Co-designing the Way Forward

Key Activities in the next 90 minutes

- Design a Community character (20 minutes)
- Current State: Map out Challenges and Opportunities (20 minutes)
- Future State: Possibilities and Paths to Get There (20 minutes)
- Group Sharing (30 minutes)

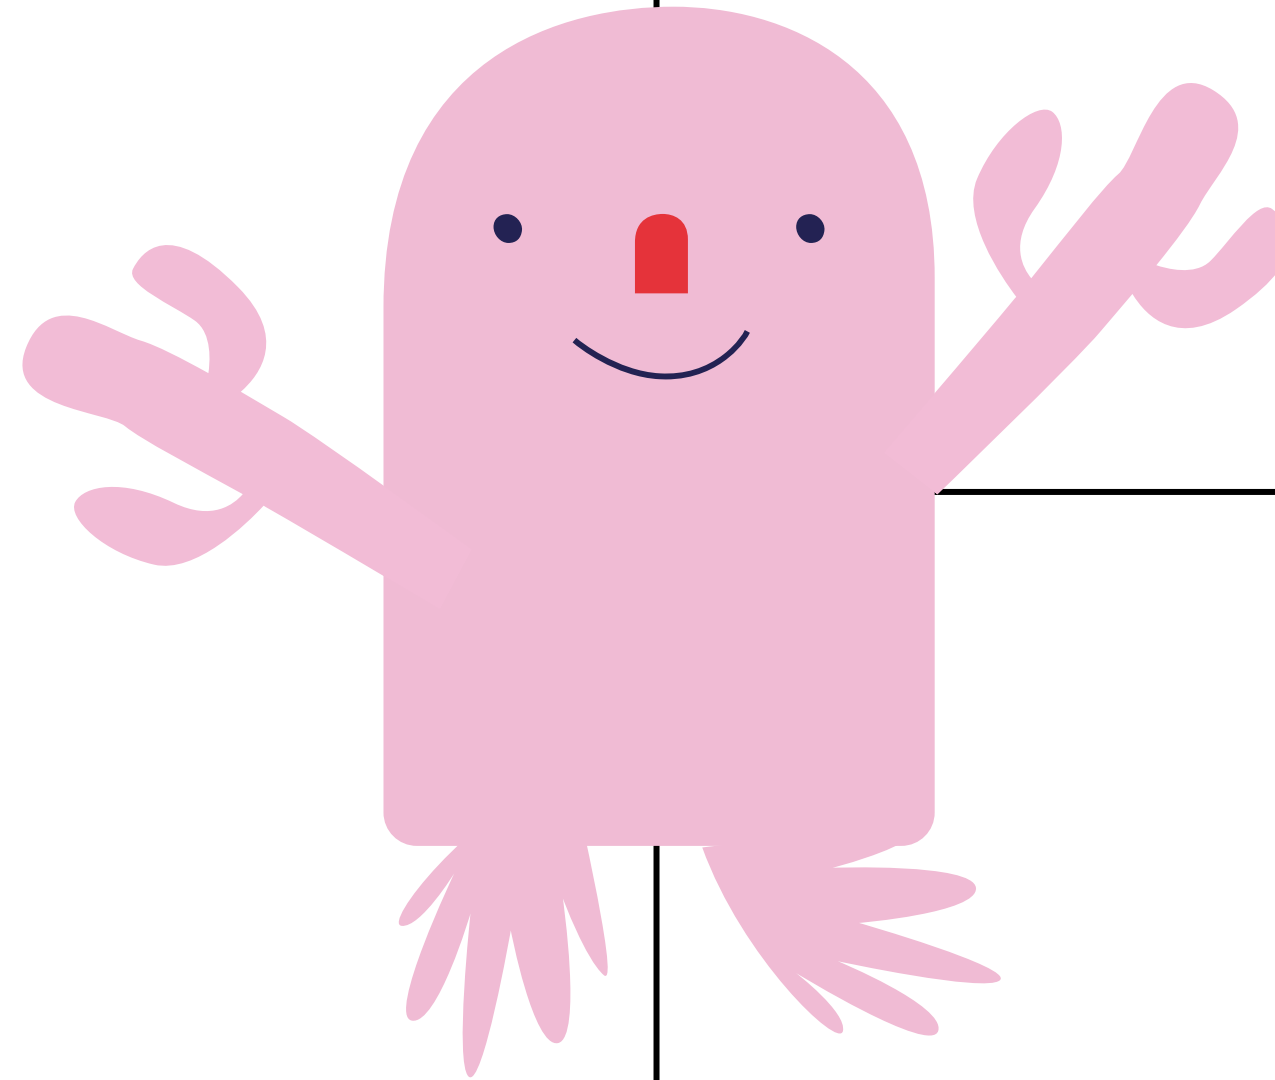

Design a Community Character

Demographics

age, name, role, income, location

Strengths & Assets

resources, skills, relationships

Needs & Goals

e.g. funding, childcare, stable workforce

If your community is a person, how would it be like?

Current State

Challenges

A large, empty rectangular box with a red, textured border, intended for listing challenges.

Opportunities

A large, empty rectangular box with a red, textured border, intended for listing opportunities.

Are any of the identified challenges/ opportunities related to one another? How are they related?

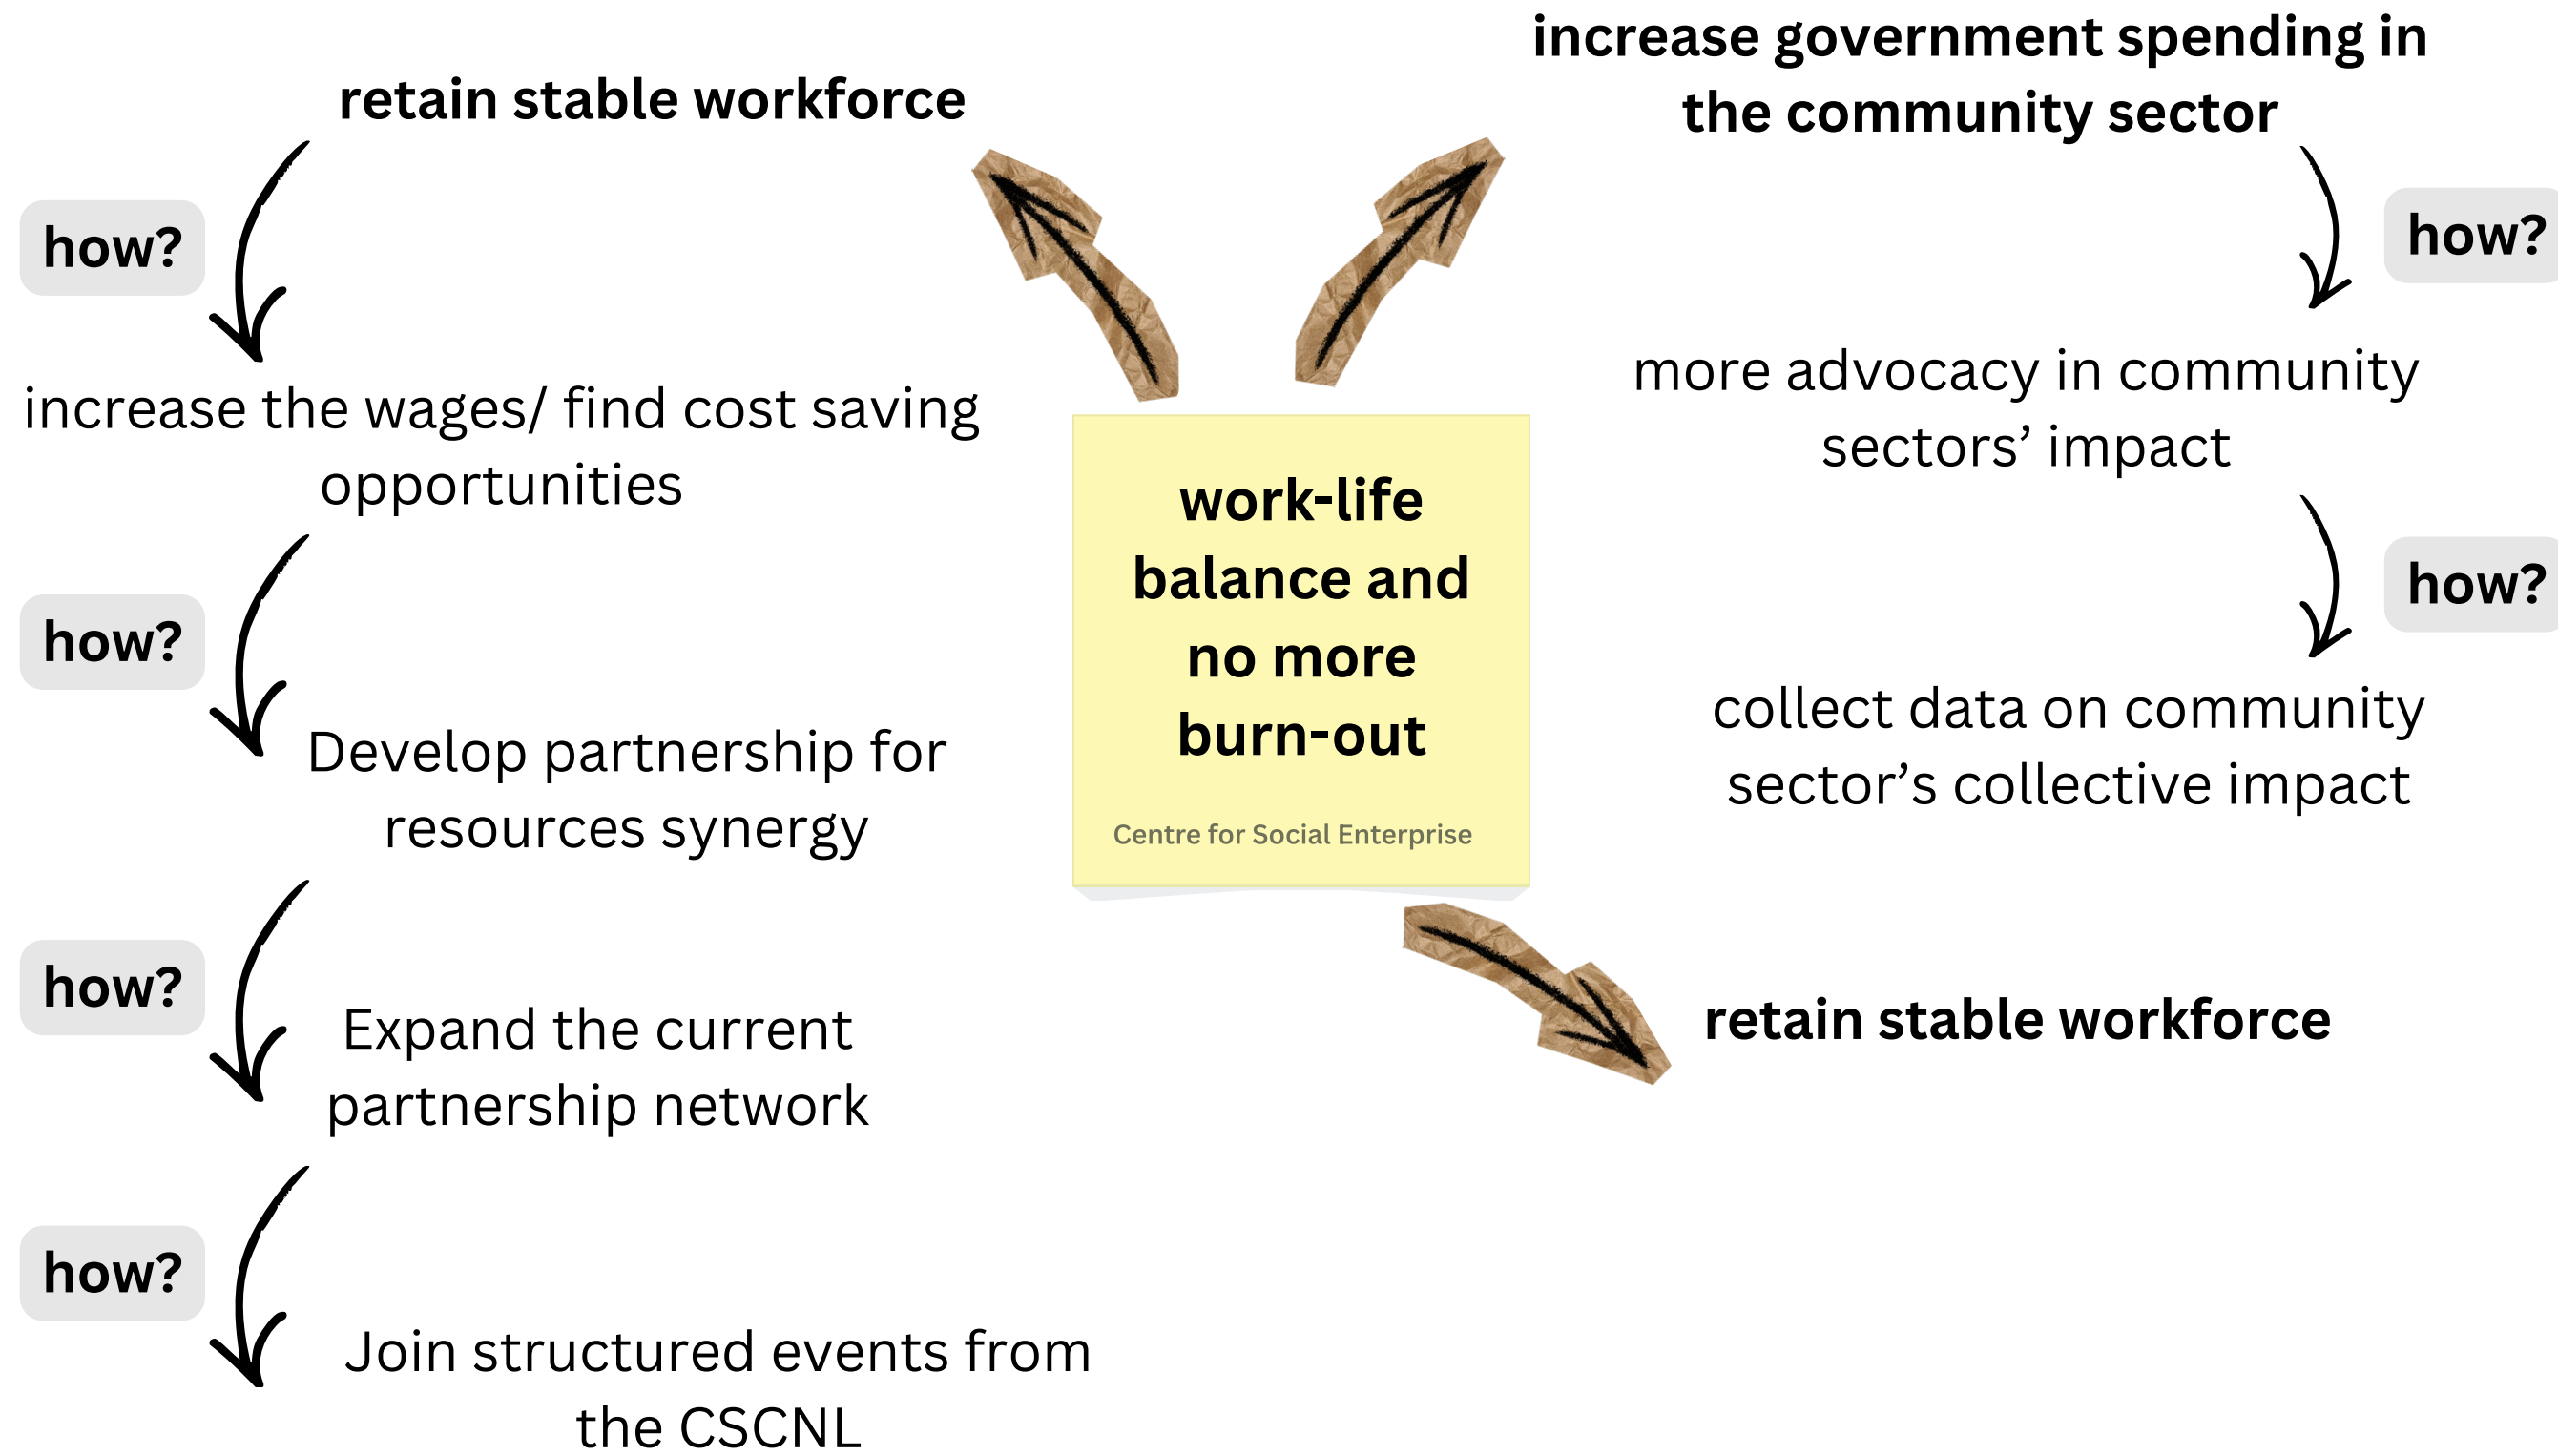

Future State of

No boundaries to your imagination! How will the ideal state of the community look like?

Future State of

Select one topic. What changes has to happen for the ideal state to happen?
